HAWKS - Team of six officers.

Abhimanyu Adhikari ([Iqbal Khan](#))

Age: 27

Flight Lieutenant Abhimanyu Adhikari, with expertise in ground attack combat-aircraft, Sukhoi30, has the special distinction of also been trained with the elite Para Commandos of the Indian Army. He is, thus, is also an expert in guerrilla warfare par excellence.

He is a man of few words and says one-liners, which has shades of subtle humor. He has lazy confidence in his stature. He comes across as a laid back person who will only act when it is the last moment, till then he waits for others to control the situation. However, when he does move, he solves the problem. As he is a man of few words, he finds it difficult to express his feelings. Although he is an intense person, he has a dry sense of humor. He doesn't care what the world thinks of him, as long as he knows what he is doing and the people he [loves](#) and respect, understand him. A natural leader, he leads by example. He doesn't have any time for love and it's a waste of time for him. Yet he is endearing, as he is the unattainable guy whom everyone wants.
