Tellybuzz in talks with [Iqbal Khan](#) about his journey...

[Iqbal Khan](#) who became a Rockstar after his performance in '[Kaisa Yeh Pyar Hai](#)', gets candid with TellyBuzz...

You have been in the industry for 10 years now, what has pushed you to keep working harder?

Love for my work is what keeps me going.

You got popular with your role as Angad in [Kaisa Yeh Pyar Hai](#) back in 2005-2006 and many fans still remember you from that role, do you think you ever will be able to overcome that image of yours?

The image has already faded because the latest thing in the audience's mind is Rudra from '[Sanjog Se Bani Sangini](#)'. Of course Angad will always remain special, I personally feel it is always the last character you play that stays in people's minds and the fact I haven't played a rock star since, means that Angad will remain in the memories of my fans as the rockstar.

You recently played the role of Dr.Viren Roy in '[Yahan Main Ghar Ghar Kheli](#)'. Can fans expect to see you back in a daily soap as the lead again?

There are a lot of good things in the pipeline. I will keep you posted as always.

You have played the role of a father on screen, how difficult or easy is it in real life ?

I do not see it as being difficult nor easy, Being a father is simply amazing and the best feeling in the world.

Your third movie 'Unforgettable' is all set to release in August, can you tell us a bit about your role in the movie?

The film is not being released in August since it is in the final stages of post-production. I am under contract and therefore cannot comment at this stage but closer to the release date, I will elaborate more on the character and my role in the film.

What is the secret to a happy life?

If anyone knows the secret of a happy life, they would be the king of the world or most certainly write a book about it.

What is the hardest thing you've ever had to do?

The hardest thing is yet to happen, Alhamdulillah God has been kind.

What's a secret ambition of yours?

None of my ambitions are secrets and why should they be?

Who in your life would you like to thank and for what?

I would like to thank God.
