Raj ki taaza khabar

Smriti Irani

Iqbal Khan and Ashish Vidyarthi must be two very happy actors. And why not, they are getting to play characters inspired by Amitabh and Abhishek Bachchan in *Sarkar Raj* for Smriti Irani's new show *Waaris* for Zee TV. Buzz is that Iqbal, who quit *Chooma Hai Aasman* few days ago, has been roped in to play Abhishek Bachchan's character, and the one of Amitabh Bachchan will be played by Ashish Vidyarthi.

When contacted, Smriti said, "I am happy that there is so much buzz about my new show even before it is on air. Any producer would love that and I am no exception. I am looking forward to working with Ashish and Iqbal. They are very talented actors."
