

Iqbal is **never late**

✉ It's not unusual for actors to walk in late on the sets of a TV serials or films. But there are a few who do not conform to

the stereotype. And Iqbal Khan of *Tumhari Paakhi* is one of them. The actor makes sure to reach the location 15 minutes prior to the reporting time and takes minimal time for make-up.

Is there a reason the bug hasn't bit Iqbal? "Even as a child, my father always taught me to value time. He said that if you don't respect time, time wouldn't respect you."
