Delnaaz Paul, who has separated from hubby Rajeev, made a rare appearance. The actress spent her time chatting and catching up with friends. She even posed readily for shutterbugs. Delnaaz definitely knows how to keep going when the going gets tough.

Almost all TV actors complain about the hectic schedules that they have to deal with, and so when they get an opportunity to let their hair down, they make the most of it. This was one such do where the guys and girls mingled and bonded with each other big time. The girls went super glam. Reshmi Ghosh looked hot in a red dress, while Roshni Chopra chose to wear LBD (with a very interesting back). Jaya Bhattacharya and Urvashi Dholakia sported Indian wear. Of course, Urvashi upped the glam quotient with the sexy blouse. Manav Gohil came in minus wife, Shweta and was spotted chatting with his buddies. Annu Kapoor was heard talking on his favourite topic — music — with Daler Mehndi. Ayub Khan had wife Niharika for company. Sharad Kelkar, Anang Desai, Pawan Malhotra, Neha Marda, Ekta Kapoor, Priya Marathe and Rantan Rajput were also spotted at the do.
