Mouthful of anecdotes

Chinese food and a chocolate cake? That seems a strange combination but that's what it was at this telly do that took place on Wednesday night in the suburbs. The cake was cut as it was **Dia's** birthday and she, along with hubby **Tony** and the cast of her latest telly show, celebrated her big day together. Present sharing anecdotes from their shoot were **Additi Gupta**, **Tarun Bali** and the rest of the cast and crew. Certainly, this was one fun-filled affair in the middle of the week!
