Iqbal Khan

**What does the word freedom mean to you?**

Freedom means when don't you hesitate to express our opinions but without troubling others' freedom.

**Do you think the younger generation understand and appreciate the concept of Independence Day?**

I have no clue what do they think about Independence but I am sure they appreciate our freedom and our fighters who have created history."

**What is the best way to celebrate Independence Day?**

To help others in their time of need.

**Can you share with us a special Independence Day memory from your childhood?**

I used to be the flag bearer at school and I remember being enthusiastic about carrying the flag

**Who was the freedom fighter who you were most fascinated by in your youth?**

Mahatma Gandhi

**What Independence Day message would you like to share with your fans?**

Spread peace and humanity to all. Please stay away from any kind of violence."
