Iqbal Khan

What does the word freedom mean to you?

Freedom means when don't you hesitate to express our opinions but without troubling others' freedom.

Do you think the younger generation understand and appreciate the concept of Independence Day?

I have no clue what do they think about Independence but I am sure they appreciate our freedom and our fighters who have created history."

What is the best way to celebrate Independence Day?

To help others in their time of need.

Can you share with us a special Independence Day memory from your childhood?

I used to be the flag bearer at school and I remember being enthusiastic about carrying the flag

Who was the freedom fighter who you were most fascinated by in your youth?

Mahatma Gandhi

What Independence Day message would you like to share with your fans?

Spread peace and humanity to all. Please stay away from any kind of violence."
