### 'High' on life!

"We're already high!!" said actors Iqbal Khan and Binny Sharma while shooting for the Zee TV's Holi special on the sets of Chhoti bahu. The 'Sanjog se Bani Sangini' leads were roped in to do a song and dance sequence in celebration of Holi with other artistes of the channel.

To get into the spirit of the routine, the director asked that they drink a few glasses of bhang to lend authenticity to the act. Iqbal and Binny flatly refused claiming that they were already 'high on life!!' Moreover, they had to rush back to shoot for their own show.

What is commendable is that Iqbal was just recovering from a bout of illness and yet was just as lively and emotive as always!! With a spirit like that, the man already has the ladies high on his charm and A rated good looks!!

Watch the two perform on the two hour Holi special of Choti Bahu on Friday, March 18, 2011 at 7.30 PM only on Zee TV
