

Iqbal Khan

Iqbal's back

Iqbal Khan's comeback as an Airforce pilot in *Choon Hai Aasmaan* is getting him a lot of appreciation. Thanks to all the rest and relaxation he's got during his long break after *Karam Apnaa Apnaa*, he seems to have come back refreshed and looking great too! Looks like Ekta Kapoor may have lost out on a good actor but we wonder if Iqbal will be as popular as his character Angad was in Ekta's *Kaisa Yeh Pyar Hai*?
