THE

WOMAN

OF HIS

DREAMS

SNEHA CHHABRA IS PROBABLY THE MOST ENVIED woman in tellydom. After all, she has captured the imagination and most importantly, the heart of one of the biggest hunks on Indian television, Iqbal Khan. Or IQ as she endearingly calls him.

As I sit before Iqbal and Sneha, I sense the comfort they share; something you generally see in couples after years of togetherness. It’s never easy carrying the mantle of being the fiancée of the most desired man on the television screen, but there’s no sign of insecurity or possessiveness in Sneha’s demeanour.
