

Iqbal with his young fans

Sheetal Thakkar & Tanaaz Currim

▲ As soon as hunk Iqbal Khan walked in fans, young and the young-at-heart females wanted to shake his hand asking for an autograph, swarmed him. He obliged all and it was some time before he could turn his attention to the cameras for giving interviews. He was shooting late so thought of leaving early, but when he reached the exit he got a call from co-actor and friend Amit Tandon who was reaching the party so Iqbal too decided to wait. Lucky guy that he is he won a champagne bottle at the wheel-of-fortune. "Yeah, it feels GR8! to win this but I will gift it to someone since I don't drink or smoke."
